Dear Prof. Gao,

Re: Invitation for the ECI Conference on “Nanoscience and Nanotechnology for Biological/Biomedical/Chemical Sensing”, 3-8 June, 2007, City University of Hong Kong, Hong Kong SAR

On behalf of the Organizing Committee of the ECI Conference on "Nanoscience & Nanotechnology for Biological/Biomedical/Chemical Sensing", I am writing to invite you to give an Invited Talk at the named conference, which will be held between 3-8 June 2007 in City University of Hong Kong, Hong Kong.

This conference aims to provide a forum for researchers, scientists and engineers from different countries worldwide, who are actively involved in the research on nanoscience and nanotechnology, in particular nanobiology, nanobiomedicine, and nanochemistry relating to biosensing, implantable biomedical devices, catalysis and energy issues to disseminate their latest research results and development achievements. The program will consist of a series of invited, contributed oral, and poster presentations. Please visit the following homepage for any updated information of the conference:

As an appreciation of your participation, your registration fee for the conference will be waived.

We hope you would kindly accept our invitation. We look forward to meeting you at the ECI conference in June.

Yours sincerely,
